

Listen to MY voice Job 32-37 (& John 1:14-18)

“Don’t look down!”

Don’t look inwards - look upwards

Job’s friends have given up ... enter Elihu.

A prophetic voice preparing for the arrival of God.

His four monologues:

1. God speaks
2. God is good
3. God is big
4. God is power

Looking upwards rather than inwards offers hope and comfort.
